BRANDON VALLEY Journal

Love is in the air – or in print – in tomorrow’s *Brandon Valley Journal*! This week, your local newspaper tells the story of a young couple’s extended journey through immigration laws and piles of paperwork in their quest to live as husband and wife under the same roof. In addition, the *Journal*’s annual “Brides & Bouquets” special section puts the spotlight on all-things wedding related.

Brandon Valley’s long-time theatre manager/director Kevin Brick is retiring later this year. As Brick is about to direct his final spring musical at BVHS, *The Sound of Music*, *Journal* editor sat down for a one-on-one to take a look back at Brick’s two-decades-plus career at Brandon Valley.

There was plenty of excitement in Brandon on National Signing Day last week when 13 Lynx student-athletes inked their collegiate futures. The *Journal* staff puts the spotlight on each of these athletes in stories and pictures.

If all of that isn’t enough to entice you to subscribe or run to the newsstands this week, *Journal* staff writer Jamie Hult introduces you to an interesting house pet, and rest assured, we’ll have all of the usual for readers: Report from Monday’s school board and the Feb. 4 Minnehaha County Commission meetings, the weekly police report, obituaries, Lynx sports and a whole lot more!

If you haven’t subscribed yet, what are you waiting for? Call 582-9999 today!

CUSTOMER REVIEWS

"I can't tell you how wonderful this company has been to work with in the last week. Our basement flooded last week and they came and have taken care of us quickly, efficiently and with more compassion than I have ever seen in a company. We would highly recommend and wouldn't go with anyone else."
