Put
LEADERSHIP
Skills into Action

The Brandon Lions Club is a great place to develop your leadership skills and put them into action. Each club offers opportunities to lead, along with first-class training from our global association.

JOIN US AT A BRANDON LIONS CLUB MEETING!

We meet at the Brandon Pizza Ranch on the third Thursday of each month. We eat at 6:30 p.m. with the meeting beginning at 7 p.m. *For questions, please call Dennis at 605-366-2387 or Lance at 605-376-1833.*

Brandon Area Briefs

DOT reps to headline On the Menu

Harry Johnston and Travis Dressen will be the guest speakers at this month's On the Menu luncheon. The event, set for 11:45 a.m. Tuesday, Feb. 27 at Tailgator's Grill & Bar, will talk about the upcoming Interstate 90 bridge replacement project at the Brandon exit.

To register, contact the Brandon Valley Area Chamber of Commerce at (605) 582-7400 or visit brandonvalleychamber.com.

Park Advisory Board meets Wednesday

Brandon's Park Advisory Board meets at 5:15 p.m. Wednesday, Feb. 21 in the Brandon City Council Chambers. For the meeting agenda and packet, visit cityofbrandon.org.

Legion clubs team up on pancake breakfast

Brandon Post 318 and Valley Springs Post 131 are joining forces to host the American Legion Baseball Pancake

Breakfast fundraiser from 8 a.m.-1 p.m. Sunday, Feb. 25 at the Valley Springs Legion Hall.

The menu will feature pancakes, French toast, scrambled eggs, sausage and beverages.

All profits from the breakfast will support the BV Senior and Junior Legion teams.

Current needs at the Brandon Food Pantry

Current needs at the Brandon Food Pantry are small boxes of instant oatmeal (variety flavors), fruit snacks, breakfast bars, pancake mix and syrup, Spam, cookies, pizza crust.

To make appointments for pickups or donations, call 582-7001. The BAFP is open from 4-6 p.m. Tuesdays and Thursdays.

BAFP executive director Linda Weber asks groups that conduct food drives to contact the Pantry prior to dropping off donations.

Used eye glasses and hearing aids for the Brandon Lions Club may also be dropped off at the BAFP.

Ask the Motor Medics®

Automotive Advice from The Under the Hood® Show

Dear Motor Medics,

We have a 2008 Chevrolet Tahoe and when it was just a year old, we got a new puppy. The first time we left it alone while we went inside a restaurant to eat, she decided to eat the Tahoe. She chewed the back of the rear seat and the corner off the plastic trim too. The vehicle is in great shape with 70,000 miles and we want to sell it, but with a large hole in the seat and the damage to the plastic side trim it's making the sale very difficult. We checked with the dealer, and they are telling us they can repair it at a cost of over \$3500.00 parts and labor and our insurance will not cover repairs. Can you suggest anything that we can do in the way of a repair to save some money?

Thanks, David in Watertown, SD.

Dear David,

New interior parts can be very expensive so many people leave their vehicles unrepaired. What's wrong with a seat and trim from another Tahoe of the same year that has no damage? Look into certified used parts. Ask your dealer if they can find these parts so you can get a repair that makes more financial sense. With the hundreds of reliable used parts sources in the country they should be able to find a match for a late model vehicle like yours and make the repair affordable. There is always a way.

Take care, the Motor Medics.

Dear Motor Medics,

We have a 2002 Hyundai Santa Fe that has been having the check brake light come on periodically. The fluid tank slowly drains so we fill the brake fluid, and it works fine for a while then comes on again. We had a mechanic look at it and told us we would have to replace the HCU in the brake system and that the part alone is about \$1600.00. Is this a common problem and does this sound reasonable? Is there anything else we can do? I'm a little hesitant to spend so much on a repair on a 10-year-old vehicle, when the value is maybe a little more than twice the cost to repair the problem.

Kay in Nebraska.

Dear Kay,

The HCU is the Hydraulic Control Unit and it's the main component of the antilock brake system. The units don't tend to leak fluid but rather fail electrically so I would take a very close look at the lines going to the unit which are more common to fail. Shop around for brakes. A second opinion never hurts if you have any questions and by asking us, we assume that you do. When you have an older vehicle or any vehicle for that matter it is important to keep repairs economical but it's also important to be safe. Brakes are not an area to cut corners in but there are always ways to save money when repairing them.

Take care, the Motor Medics.
