 Brandon Area Briefs

FNB host site of May 10
blood drive
Community Blood Bank and
First National Bank of Brandon,
101 S. Splitrock Blvd.,
will host a community blood
drive from 8-11 a.m. and noon-
2 p.m. Friday, May 10. Donors
can schedule a donation time
by logging onto cbbllifeblood.
org/events and select May 10.
Additional information can be
found by call (605) 331-3222.
Those donating blood will re-
ceive a \$10 D.Q. gift card as a
thank you gift. All blood dona-
tions will stay local for local
use with all blood types in
immediate need.
“We have seen a drastic de-
crease in blood donations due
to a strong cold and flu season.
Over the course of the last
month, we have experienced

an 18 percent slump in blood
donations, primarily due to so
many people experiencing cold
or flu symptoms and unable to
give blood,” said Ken Versteeg,
executive director of the Com-
munity Blood Bank. “We
strongly encourage those that
are feeling well and healthy to
consider donating blood at this
blood drive on May 10 to help
bring up the community’s blood
supply to normal levels. Vol-
unteers coming forward to
donate blood is the only way
to secure the blood supply for
our area hospitals and patients.
With just 30 minutes a donation
can save up to three patients’
lives. It’s a simple process but
a lifeline to many with serious
illnesses.”
Donors must be at least 17
years old (16 years old with a

Ask the Motor Medics®

Automotive Advice from The Under the Hood® Show

Dear Motor Medics,

I drive a 2011 Hyundai Elantra with 78K miles. It started making a steering noise lately that happens only when I gently turn the wheel left and right. I have found that if I turn the engine off and leave the steering wheel unlocked the noise goes away completely. I took it into a shop that was not sure what I needed. They thought maybe a steering column as the noise was located up high in the column. I then took it to a dealership who also said I needed to replace the entire column because the motor gears had gone bad. I have not been able to locate a good used column yet and a new one will cost over 3k installed. Is there another way to repair it at a lower cost?

Mark in Rapid City South Dakota.

Dear Mark,

Those big repair bills hurt, but we may have a solution you should like. The motor for the electric steering is coupled to the column via a rubber motor coupler to give it a smoother feel. This coupler falls apart with age and now is available only on Amazon as far as we have seen. The part cost is about \$6 dollars. Yep, that's it! We see a lot of people try to install it themselves and usually get it done in two to three hours but safety first, so a couple hours shop labor should do it.

Take care, the Motor Medics.

Dear Motor Medics,

Do you know a way to get the smell of a skunk out of a car? We drive a 2010 Suburban that's in really nice shape with only 90k miles on it but we had an issue. We came home from a camping trip and had the kids help us unload. Tents, gear, and food. One of the doors was left open and when it got dark about midnight, we saw the dome light on and noticed a side door was open. We ran out and shut it but that was not the end. The next weekend we went out to load the car for camping and we found a dead skunk. It must have got in through the door. It sprayed the interior, and it can't be driven. What can be done?

Thank you, Tina in Duluth Minnesota.

Dear Tina,

We have seen things like spilled milk that are bad, but this tops it. If you have full coverage insurance, use it. Cleaning probably won't help. You will need to remove and replace anything that encountered the skunk. Or its spray. Seats, wall panels, carpet, all of it. If there is no insurance coverage, you could try to get some parts from a self-service auto parts yard that you pull yourself. We have seen people do this. Parts are usually very affordable at those yards but there is the labor. Otherwise sell it to someone who can't smell very well.

Take care, the Motor Medics.

BRANDON VALLEY Journal

Race fans, this is your week! The second annual *Checkered Flag Racing Review* is chocked full of features on drivers, formats and more at Huset's Speedway in Brandon, I-90 Speedway in Hartford and Rapid Speedway in Rock Rapids, Iowa.

The ribbon was officially cut at Engineered Truss Systems last week. Learn more about what goes on under the massive roof of the newest industrial business in Rovang Park.

Wade and Laura Mossett have brought new life to an iconic Brandon area acreage, Red Truck Alpaca Farm. Learn more about the Mossetts' and their new endeavor.

Domino's Pizza will be making a return to Brandon. Learn more about the timeline for its arrival and where the pizza chain plans to set up shop.

A former Brandon Valley grad is headed for the LA Rams following the NFL Draft. Find out more about Blake Larson's journey as a free agent.

Speaking of football, Tom A. Savaing takes a look at BV's 2024 football season schedule.

Plus, we've got reports on BV athletics, from the track to the baseball and softball diamonds, to the tennis courts and the golf course.

Editor Jill Meier brings you a report from South Dakota Special Olympics' Southeast Area Spring Games.

And there's a whole lot more. So, if you find yourself asking, "I wonder what's going on..." it's time to subscribe to the *Brandon Valley Journal*! Give us a call at (605) 582-9999 to subscribe today so you, too, can be in the know.

City of Brandon Residents

FLUSHING NOTICE

The City of Brandon will be flushing water mains from Monday, May 6th through early June, 2024 or until flushing is complete.

Flushing hydrants is needed to ensure they are in proper working condition for fire protection and to remove any mineral deposits that may have accumulated in the water mains.

Residents should be advised that the change in water flow patterns resulting from hydrant flushing may stir up mineral deposits in home services.

During hydrant flushing, it is not uncommon for residents to periodically experience discolored water, pressure change, and/or an increased chlorine odor. Homeowners are advised to exercise care in their laundry operations and to check the water for clarity before use.

Motorists also are advised to stay clear of the streams of water coming from the hydrants.
