**Ask the Motor Medics®**  
*Automotive Advice from The Under the Hood® Show*

Dear Motor Medics,  
 I drive a 2014 Ford F150 with a 5.4 engine and I have installed a lot of accessories because I use it as a pilot car, and I take it camping often. When I am on the road, I camp probably 30 times a year. My problem is with the battery. I am on my second battery in the truck and I feel they should last longer than they are, but I need your advice as to which battery would be the best choice. I have seen new batteries lately called AGM batteries but do not know what they are. Are they better?

Bill in Branson Missouri

*AGM batteries stand for Absorbed Glass Mat and it is not a new technology, but an exceptionally good one that is coming down in price and is showing up in more batteries every year. AGM is a proven, very good strong battery design. AGM batteries typically can be discharged further and recharged fully more times than a traditional lead acid type battery and they work very well in the cars we have today with lots of either factory or aftermarket electronics added to them. These batteries are also less prone to leakage like a wet acid filled battery. We use them in many of our vehicles and we have installed them in our shop when a customer has a similar situation to yours and they need the absolute best possible battery that they can get.*

Take care, The Motor Medics

Dear Motor Medics,  
 My 2016 Ford Escape has a braking problem. When I drive it on a short trip, less than 50 miles and apply the brakes, it shakes just before a stop. I mean as I approach the stop sign just before I stop at about 3 mph the brake pedal shakes and I lurch forward, and I am afraid that I may crash into the car in front of me. The shop cannot duplicate the issue and I do not know what to do.

Carry in Sheldon Iowa

*Having a loss of brakes is always an uncomfortable and scary situation. We have experienced what you are going through before. The Ford Escape is not the only vehicle that this has happened to. Many cars and trucks with ABS which now encompass most every vehicle on the road have great braking systems but when they fail, any number of safety issues can come up. The one you have is most often caused by one or more of the wheel speed sensors not sending the proper signal to the ABS computer. If the computer thinks that one wheel is stopping faster than the others it releases pressure to that wheel and the car moves forward for a short time until the other wheels catch up. Often it is a simple sensor or wire that needs repair. As with any safety system it should be repaired right away, and it may take more time at the shop.*

Take care, The Motor Medics

# Brandon Area Briefs

## Friday is deadline to file for BV School Board

The filing period for two openings on the Brandon Valley Board of Education closes at 5 p.m. Friday, May 7.

The terms of longtime board member Gregg Ode and Nick Scott, who was appointed last summer to fill the chair vacated by Dan Klumper, are expiring. Both positions are three-year terms.

If more than two candidates file, an election will be held on Tuesday, June 15.

To learn more, call the BVSD Central Office at 582-2049.

## May needs at the BAFP

May needs at the Brandon Area Food Pantry are pudding cups, mustard, relish, fruit snacks, brownie mix, shaving cream.

Due to recent large-scale donations, the BAFP has no need for canned vegetables (i.e., peas, corn, carrots, all varieties of beans) and soups, both cream and other varieties.

In respect to COVID-19, Pantry clients will receive items that have been pre-bagged by BAFP volunteers. To make appointments for either pickups or donations, call 582-7001. The BAFP is open from 4-6

p.m. Tuesdays and Thursdays.

BAFP executive director Linda Weber asks groups staging a food drive to contact the Pantry prior to dropping off donations.

Used eye glasses and hearing aids for the Brandon Lions Club may also be dropped off at the BAFP.

## Tonight is Food Truck Night at BLC

Food Truck Night in the Brandon Lutheran Church parking lot is from 5-7:30 p.m. Wednesday, May 5. Eight food trucks will be onsite and outdoor worship is at 6:15 p.m. The public is encouraged to bring a lawn chair for worship.

Food Trucks that have committed to the event are The Big Orange Food Truck, Fat Kid Filly's, Berke's BBQ, Hunny & Bunny, Windy City Bites, Tacosdegringo, Old Skool Jersey Rippers & Balls, and Dakota Snow/Sub Zero Desserts.

*Coming in tomorrow's*  
**BRANDON VALLEY Journal**

Brandon's 55th annual Loyalty Day Parade is now in the books. Sunday's massive community get-together was reportedly one of the biggest crowd's in the event's history. The *BV Journal* has hundreds of photos from the parade and a variety of other community events that day. We'll put some of those photos in print, but you're going to want to be sure and check out the photo galleries on our website, [brandonvalleyjournal.com](http://brandonvalleyjournal.com). Who knows? You may see yourself!

Huset's Speedway will open for the season this Sunday, and *Journal* editor Jill Meier brings you all the details of the new and exciting features the local track has added.

The *Journal* was also on the sidelines of the prestigious Howard Wood Relays, and also has recaps from the week of Brandon Valley High's spring sports programs.

Our cameras also marked last week's National Honor Society induction ceremony at BVHS, Gov. Kristi Noem's appearance at the Chamber's monthly On the Menu luncheon, Sunday's Mile for Mutts, Split Rock Fire Department's annual pancake breakfast and flower planting at Beaver Valley Lutheran.

If that's not enough to keep you reading, we'll also bring you a report from Monday's city council meeting in Brandon and last week's Minnehaha County Commission meeting. We also continue our series on the upcoming retirements of BV educators. This week, middle school science teacher Elaine Zell reflects on her time in the classroom.

Finally, we've got a few details on this week's Brandon Citywide Rummage sales, plus a recap on how the *Journal* fared in the South Dakota Newspaper Association's Better Newspaper contest.

If you're a subscriber, thanks for reading! If you're not, what are you waiting for? Give us a call at 582-9999 so you can be in the know of everything that's "Coming in Tomorrow's *Brandon Valley Journal*"!
