

With Medicare Plan Advice...

## Local Expertise Matters!

As local & licensed insurance agents, we can make informed recommendations because we know the Medicare plans, networks, hospitals, and doctors right here in our area.

### We provide:

- Access to a wide variety of Medicare plans.
- Assistance with questions, plan selection and enrollment.
- Attentive, continued support.

### Brandon Area Briefs

#### Current needs at the Brandon Food Pantry

Current needs at the Brandon Food Pantry are egg noodles, Spam, Dinty Moore Beef Stew, pancake syrup and mix, mustard, ketchup, Suddenly Salads, Rice-a-Roni mixes, bottled juices.

To make appointments for pickups or donations, call 582-7001. The BAFP is open from 4-6 p.m. Tuesdays and Thursdays.

BAFP executive director Linda Weber asks groups that conduct food drives to contact the Pantry prior to dropping off donations.

Used eye glasses and hearing aids for the Brandon Lions Club may also be dropped off at the BAFP.

#### Brandon's 'founding father' topic of historical talk

Brandon "founding father" and Civil War veteran William Jones will be the topic of the Brandon Historical Society's program. The event begins at 7 p.m. Sunday, May 21 at the BVHS Community Room. Board member Kari Beck will present the program and refreshments will be served.

#### Al-Anon meetings in Brandon

Al-Anon meets from 7:30-8:30 p.m. every Tuesday at Brandon Lutheran Church, 600 E. Holly Blvd.

**Ask the Motor Medics®**  
Automotive Advice from The Under the Hood® Show

Dear Motor Medics,  
I have a car that needs a timing belt, and it is going to cost over \$1700.00 to change. That sounds crazy to me. I have had belts changed before on my cars and they have never been more than \$50.00 but none of my cars have had timing belts. It is a 2005 Lexus so I know it might run a little more than some of the other domestic cars I have had but come on, 1k is just way over the top and I think I may be getting taken. Can I just let it go?

Ben in Portland Maine

Dear Ben,  
Welcome cars with timing belts. When we give purchase advice, we will tell buyers to take the cost of regular timing belt service into account when they purchase a car. It is a Must-do item that if let go will eventually break and in the case of an interference engine "which most are" will destroy the engine or severely damage it at the very least and that can cost thousands to repair. The timing belt takes the place of the timing chain and it times the movement of the valves and pistons so that the valves are closed when the pistons get to the top. If the valves are open, then they will collide, and parts will break. Timing belts are typically in the range of \$800.00 to over \$2000.00 to do the job on some cars.

Take care, the Motor Medics

Dear Mark,  
You are not the first or the last one to do this. We take this question several times a year and it can be fixed. You need to get all the coolant out of the bottle and clean the glass well to get rid of the streaks the coolant leaves. If you have not run the pump then get a suction gun from a parts store and remove all the coolant you can then flush with water, suck out the water with the suction gun and repeat until free of antifreeze then add new washer fluid. If you have run the pump, you will need to do the previous steps then run the pump to clear the lines of antifreeze. You can also have your local mechanic do this for you. Mixing fluids is never good but mixed-up washer fluid is easier to fix than other fluids.

Mark in Bennington Vermont

Dear Mark,  
You are not the first or the last one to do this. We take this question several times a year and it can be fixed. You need to get all the coolant out of the bottle and clean the glass well to get rid of the streaks the coolant leaves. If you have not run the pump then get a suction gun from a parts store and remove all the coolant you can then flush with water, suck out the water with the suction gun and repeat until free of antifreeze then add new washer fluid. If you have run the pump, you will need to do the previous steps then run the pump to clear the lines of antifreeze. You can also have your local mechanic do this for you. Mixing fluids is never good but mixed-up washer fluid is easier to fix than other fluids.

Take care, the Motor Medics
