Coming June 2025!

City of Brandon Residents

FLUSHING NOTICE

The City of Brandon will be flushing water mains from Monday, May 19th through mid-June, 2025 or until flushing is complete.

Flushing hydrants is needed to ensure they are in proper working condition for fire protection and to remove any mineral deposits that may have accumulated in the water mains.

Residents should be advised that the change in water flow patterns resulting from hydrant flushing may stir up mineral deposits in home services.

During hydrant flushing, it is not uncommon for residents to periodically experience discolored water, pressure change, and/or an increased chlorine odor. Homeowners are advised to exercise care in their laundry operations and to check the water for clarity before use.

Motorists also are advised to stay clear of the streams of water coming from the hydrants.

Ask the Motor Medics®

Automotive Advice from The Under the Hood® Show

Dear Motor Medics,

I have a question about truck tires. I drive a 2008 Chevy Silverado 2500 with 17-inch wheels and would like to go to 16-inch wheels and taller wider tires. I want to go with the 16-inch because the tires are cheaper, but I heard they may not work as good. I do want to replace my factory wheels with some cool aftermarket ones, so I was planning on buying them anyways. What things do I need to know before I buy a set of wheels and tires that I like? I am thinking of going with 35-12.50-16 All Terrain tires.

Thank you, Alan, in Redwood Falls Minnesota.

Dear Alan,

While many truck owners have upsized their wheels and tires to accommodate their wishes it is important to take note of a few important items first. When downsizing a wheel, you need to check for proper clearance of brake parts and suspension parts like tie rod ends. You also need to check for proper fender clearance not only while traveling straight but also while turning and at full compression of the suspension. Rubbing tires can cause damage and loss of control. It is also important to note that larger tires will change the shifting patterns of the truck and speedometer calibration so that will also need to be addressed. We recommend working with a tire store that has experience and a reference guide as to what wheels and tires will work for your specific application safely.

Take care, the Motor Medics.

Dear Motor Medics,

Camping season has arrived, and I like to pull a fifth wheel camper with my 2016 Chevy Silverado 1500 and a boat behind that. I also use it to pull my small tractor around. The camper and boat are right at my max towable limit of 80 percent but on very hot days when the tempos reach 100 plus down here the transmission temps get hotter than I like at 195 to 210 while pulling. If I am unloaded, they seem to stay around 150 even on the hottest of days. I am concerned about the longevity of the transmission with the extra heat. What do you recommend for keeping it a little cooler?

Thank you, Larry in Carthage Texas.

Dear Larry,

Those temps are getting up there. When you pull anything, it is always good to follow the 80 percent rule. So many people overload past the max causing damage to their vehicles and making it unsafe for both them and others on the road. This vehicle probably has a transmission fluid thermostat no matter which transmission it has, and a cooler built into the radiator. The first step is to make sure that the radiator fins and in between the radiator and condenser area is free from any dirt. This causes much higher temperatures. Also, get a thermostat bypass kit for the transmission. With those two items done you may also consider an aftermarket cooler to lower temps.

Take care, the Motor Medics.

Ribbon cutting at Aspen Ridge Reserve

A Brandon Valley Chamber of Commerce ribbon cutting for Aspen Ridge Reserve, 2400 Country Club Ave., is scheduled for 4 p.m. Friday, May 23. The public is invited to explore Aspen Ridge Reserve's new apartment complex. Light refreshments will be served.

Water main flushing happening now in Brandon

The city of Brandon has begun flushing water mains, which will continue through mid-June.

Flushing hydrants is necessary to ensure they are working properly when needed for fire

protection and to remove any mineral deposits that may have accumulated in the water mains.

Residents may notice a change in water flow patterns resulting from hydrant flushing, and may stir up mineral deposits in some home services.

During hydrant flushing, it is not uncommon for residents to periodically experience discolored water, pressure change, and/or an increased chlorine odor.

Homeowners are also advised to exercise care in the laundry operations and to check the water for clarity before use. Motorists are also advised to stay clear of the streams of

water coming from the hydrants.

Brandon's Big Celebration is May 23-25

Celebration United Methodist Church is once again hosting Brandon's Big Celebration in Aspen Park on Friday, May 23, Saturday, May 24 and Sunday, May 25.

Mac's Carnival and Attractions brings rides and games to the park, along with craft and food vendors, and a car show.

In exchange for a donation of a baby item for Celebration's Baby Blessings, there will be a \$3 discount per wristband purchase.

Hours for the Celebration are as follows: Friday – 6-11 p.m.; Saturday – 1-11 p.m., Roll Up Car Show, 1-4 p.m.; and Sunday – 12-5 p.m.

SD Torch Run to make stop at Buddies & Co.

The Brandon community is invited to stop by Buddies & Co., 1309 E. Cedar St., from 1-2:30 p.m. Thursday, May 29.

Traditionally, the Law Enforcement Torch Run, which benefits Special Olympics South Dakota, has made treks in Brandon. This year's event is taking place while students are on summer break. That has led to the May 29 get-together at Buddies & Co., where there will be games, the opportunity for Special Olympian athletes and fans to take a photo holding the "Flame of Hope." The South Dakota Highway Patrol Mustang, which will escort the Torch Run across the state this year, will be at Buddies & Co. for "tours."

BLC Fun Fest & BBQ is June 4

The public is invited to Brandon Lutheran Church's (600 E. Holly Blvd.) Fun Fest & BBQ from 4:30-7 p.m. Wednesday, June 4. The menu will feature smoked BBQ pulled pork, walking tacos, hot dogs. Family Treats Ice Cream will also be on site from 5-8 p.m. There will also be a raffle, bingo, bean bags and bouncy houses, along with 605 Camaro Vintage Cars. At 6 p.m. is True North Vacation Bible School and church service.

The event is a fundraiser for Women of BLC.

Current needs at the Brandon Food Pantry

Current needs at the Brandon Food Pantry are granolas bars, bottled juice, canned soups (not

Chunky-type), saltine crackers, canned pasta, small boxes of fruit snacks, bagged rice, cereal, laundry detergent (32 oz.), shampoo.

To make appointments for pickups or donations, call 582-7001. The BAFP is open from 4-6 p.m. Tuesdays and Thursdays.

Used eye glasses and hearing aids for the Brandon Lions Club may also be dropped off at the BAFP. Used eye glasses may also be dropped off at Jones Family Eye Care and Lewis in Brandon.

Brandon Senior Citizens

The Brandon Senior Citizens meet at 12:30 p.m. every Thursday at the VFW for Bingo, cards socializing and coffee. All seniors are welcome.
