Library

Brandon Community Library

The Brandon Community Library provides a place for reading, learning and fun for all ages - and it has since 1975. Brandon Community Library joined with the high school library in 2003, at which time the 10,000-square foot structure was connected to the southeast corner of Brandon Valley High School, benefiting both its students and the public.

Minnehaha County residents and nonresidents have access to the library's 27,000-plus in-house books, magazines, movies and downloadables. However, if the library doesn't own a specific item, it may be possible to obtain the materials through other Siouxland Libraries or interlibrary loans. In addition to offering collections, the library offers programs throughout the year for preschoolers, children, tweens/teens and adults. If you're a visitor in need of computer/internet/Wi-Fi access, just ask for a guest pass; printing, copying, scanning and faxing is also available.

BIG SIOUX RECREATION AREA - BRANDON

Big Sioux Rec Area lies on the banks of South Dakota's Big Sioux River. It is popular among campers, canoers, history buffs and archers. For more information, call (605) 582-7243 or log on at <http://gfp.sd.gov/state-parks/directory/big-sioux/>

HISTORY - The Big Sioux area was home to bands of American Indians. The river provided fish, clams and waterfowl, as well as transportation to the north and south. Trees for fuel and lodges were readily available and drinking water was abundant.

A log house and storm cellar marks the original Ole Bergerson homestead. In 1868, Bergerson helped Ole Iverson, the area's first settler, build a dugout. The men wintered in the dugout and the following year, Bergerson built his own log home using hand-sewn cottonwood logs. Some of the trees in the park are among the oldest in the state.

TRAILS - The park features over seven miles of trails, including opportunities for archery, biking, cross-country skiing, disc golf and hiking. Acres of native grasses and wildflowers blend into native woods that provide bird watching, nature study and solitude.

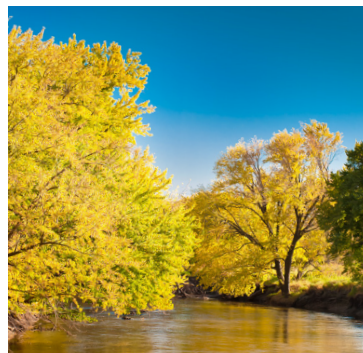

The GPS Adventure Trail was constructed at Big Sioux for those who wish to keep up with today's technology. Trail users use a Global Positioning System unit to find designated coordinate locations.

CANOEING - The Big Sioux River offers scenic vistas along its 390-mile course from northeast South Dakota to the Missouri River. This waterway, once used extensively by American Indians and fur traders, now offers an ideal setting for canoeing and kayaking.

The river winds for nearly two miles through the heart of the park where canoe launching facilities are available. The free Big Sioux River Canoe/Kayak Map details the area from Sioux Falls to Fairview and is available at the park.

BEAVER CREEK NATURE AREA - VALLEY SPRINGS

Developed to increase environmental awareness in visitors, Beaver Creek Nature Area highlights natural and historical resources in the vicinity. Pioneers named the creek for the numerous beavers they found along the winding spring-fed stream.

Historical Sites

American Indian Burial Mounds

Located ¼ mile past Oakridge Nursery and Landscaping on Hwy. 11, The Eminija Mounds were built by Native Americans of the Late Woodland Period and may date from 500 to 1000 A.D. They are sharply defined and highly visible, though some have worn down from their original height. Eminija is an Indian term, which means "where the water splits the rocks," hence, Split Rock.

Brandon Historical Society Museum

The Brandon Area Museum (run by the Brandon Historical Society) is dedicated to preserving, protecting and conveying the rich history of Brandon and the surrounding communities. Located at 109 N. Pipestone St., the museum contains a variety of artifacts that serve to "tell the story" of our great community. Through the museum and the current renovations to the Nels Graff 1870 cabin, which is located in Pioneer Park, the Historical Society prides itself on serving the Brandon area.

Brandon Veterans Memorial

On the corner of Splitrock and Aspen boulevards, the Veterans Memorial was erected in April 2003 to honor those who have served and are now serving in the military. Names of Brandon-associated veterans are inscribed on four stones.

We have your
Energy Solutions

Call us at 1-800-234-1960 to learn more!

Charge Up with EVs

SVE's special rate programs make owning an electric vehicle (EV) a smart transportation choice. Charge up conveniently at your home with clean, American-made electricity. We offer two off-peak charging rate options as well as rebates for the Level 2 charger equipment purchase and installation costs. Plus, if you're building a new home, we have a \$100 rebate for a home that is wired EV-ready (240-volt, 40-amp or larger circuit for future Level 2 charger installation.)

Get into Hot Water

Purchase the last water heater you will ever need to buy for your home! Lifetime tank/six-year parts warranty for original purchaser. Call to order your water heater ahead of pick up. Water heaters are available at the Brandon service center for \$400 plus applicable tax with participation in the load management program. (Some restrictions apply. Be sure to call ahead to order your unit and before picking it up.) SVE provides warranty and repair services.

Heat Up and Cool Down

Heating and cooling use the largest chunk of your home energy dollars. Heat pumps – geothermal or air-to-air systems including mini-split ductless solutions – are designed to be used in any home whether it's new construction, a renovation project or replacing existing equipment. Sioux Valley Energy offers rebates of \$600 for air-source heat pumps with non-electric backup and \$1,200 for all-electric or geothermal heat pumps. Additionally, a special electric heat rate makes choosing electric a great value!

Take Control

The Time of Use Rate (TOU) was developed for members who are seeking opportunities to directly impact their electric bill through their conservation efforts and daily usage habits. It's also a great way to take advantage of smart home automation and electric vehicle technology. Rearranging tasks and conserving energy to take advantage of reduced off-peak rates is good for both the member and the utility – we both save money! Contact Member Services to sign up for a three-month risk-free trial period. Use **SmartHub** to manage and review your usage, you can sign up here: siouxvalleyenergy.smarthub.coop. We also offer a smart thermostat \$50 rebate in conjunction with SVE's Time of Use Rate.

www.brandongc.com

The Brandon Golf Course offers 18 holes of challenging fairways and greens. The city-owned recreational facility also offers a banquet center, lounge and restaurant.

The banquet center, which overlooks the course, offers seating for up to 300 guests.

Fairway View Lounge is the perfect place to wait for a tee time or gather when your round is done. It, too, offers a beautiful view overlooking the course. The lounge and restaurant are open March 1st through Dec. 1st.

Hidden Valley Golf Course

1708 E. Redwood Blvd. • (605) 582-2424
www.golfthevalley.com

Hidden Valley Golf Course may be the name, but it is certainly no secret. Tucked away within the city limits of Brandon, this fun 18-hole course is the only par-3 golf course around. Hidden Valley is a great destination for any level golfer of any age to play 9 or 18 holes in a quiet casual setting. The course borders the flow of the Split Rock Creek and is just minutes from most everywhere in Brandon and very close to Sioux Falls.

Built by the Reiter family, whose passion for the links began with family patriarch Gene Reiter more than 50 years ago, Hidden Valley is all about family fun passed down generationally.

The Arts

The Brandon Valley Performing Arts Center (PAC)

301 S. Splitrock Blvd. • Box office: (605) 582-8039

The PAC was opened in the fall of 1999 by the Brandon Valley School District. It plays host to over 90 events, concerts and competitions each year. The primary mission of the PAC is to serve the performance needs of the district's students. Brandon Valley students deserve the best, and this facility certainly provides it. The unique architectural and acoustic design makes everything from first grade choruses to professional performance groups look and sound their best. Along with the performance pluses, the audience is provided with a comfortable and friendly environment. The PAC is a tribute to the vision and perseverance of Brandon Valley's school board and administration during the years leading up to its construction.

Mighty Corson Art Players

25993 482nd Ave. • (605) 582-2771

The Mighty Corson Art Players (MCAP) are a non-profit community theatre and venue organization located in the historic Corson Playhouse. With 38 years of production, the group is known for quality theatre featuring local talent in a variety of genres, including comedies, musicals, mysteries and dramas. Three full-length plays are produced annually, showing in the spring, fall and Christmas seasons.

MCAP offers a children's summer theatre camp where students in grades 1-6 learn teamwork and communication skills while participating in play rehearsals over the course of a week. They put these skills to practice at the conclusion of the week in a live performance before family and friends.

Recently, MCAP expanded its programming to host other entertainment events beneficial to the community. Watch for concerts, stand-up routines, inspirational speakers and more! Or consider MCAP when searching for a venue for your next event.

Events & Festivals

JANUARY

Brandon Day at the Legislature is a great way to educate legislators from across the state about what an amazing community Brandon is. During our visit we sit in on committee meetings, serve lunch to the legislators and visit with elected officials, staff and interested individuals.

Wild Game Feeds

Hosted by 212° The Boiling Point, the **Brandon Valley Optimist Club's Wild Game Feed** is an annual potluck style dinner featuring numerous dishes of exotic animals (deer, boar, bear, elk, alligator, moose, crawfish...just to name a few!). Funds from this event are earmarked for the Brandon Valley School District School Lunch Program.

Ed Polzine Wild Game Feed

Always held the Saturday night before the Super Bowl, this wild game feed raises funds for children and adults in the community impacted by cancer and other illnesses.

FEBRUARY

Legislative Coffees give residents a chance to meet District 10 & 25 Legislators and ask them questions, as well as express concerns about what will be taking place in Pierre during the current legislative session.

Join us for an evening of hors' d'oeuvres, spirits and an entertaining auction experience in February for the **Annual Auction Amore**. The night features live and silent auctions, games and, of course, plenty of fun!

Be entertained by Brandon Valley High School students while they juggle, dance, sing and get creative to captivate you at the **Brandon Valley's Got Talent Variety Show** at the PAC, hosted by the BVHS Fine Arts Booster Club.

MARCH

Brave the chill to support the **Polar Plunge**, an annual fundraiser presented by S.D. Law Enforcement to benefit state and local Special Olympics programs. The event is held outdoors in the BVHS parking lot. Visit plungesd.org to register.

APRIL

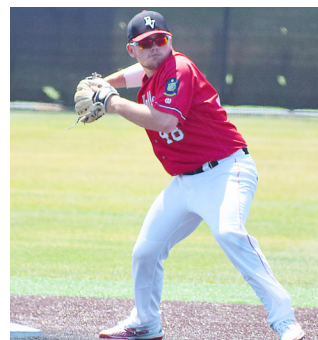

Bring your little ones out to the annual **Easter Egg Hunt** in Brandon sponsored by the Brandon Edge or to the Brandon Community Library for a special storytime.

MAY

Come celebrate with us at the **Annual Loyalty Day Parade** the first Sunday in May at 1 p.m. The Brandon V.F.W. and American Legion members organize a great parade with many floats from area businesses and organizations, including Brandon Valley's High School and Middle School bands. There are horses, clowns and don't forget about the candy – there is plenty for everyone!

Eat turkey and watch the BV Bands perform on stage at the high school. The **Turkey Supper** is a BV Band Parents fundraiser that Brandonites look forward to year after year!

JULY

Join us for the **Class A State American Legion Baseball Tournament** on July 23 - 27 at the First National Bank Field. Top teams will compete for the coveted title of State Champions.

AUGUST

In cooperation with an organized group of volunteers, the Ministerial Association hosts an early morning **Prayer Breakfast** at Brandon Valley High School in August each year.

Come out and watch the BV Marching Lynx in a practice performance at the BV Athletic Complex at **Marching & Melon Madness**. The evening culminates with free watermelon, compliments of Sunshine Foods.

SEPTEMBER

Pigskin Classic / Biz Bash have combined on Pigskin Classic Saturday. The BV Athletic Boosters host various events throughout the day, including a 5K run/walk, 3-on-3 basketball tournament, Punt, Pass & Kick and soccer challenges, a dodgeball tournament and cheerleading camp while the Chamber's Biz Bash gives area businesses the opportunity to purchase booth space, and Brandon Valley business leaders are able to interact with the public. This event will include the fifth annual Kidpreneurs Market, with free booths for kids 18 and younger to sell their products and items.

Homesteader Day is held at the Beaver Creek Nature Area located just outside of Brandon on the Sunday after Labor Day. Enjoy the sights, sounds and smells of the pioneer life from over 100 years ago. The historical Samuelson cabin is open for visitors to see and experience. There are pioneer agriculture demonstrations, a blacksmith, Civil War soldiers, Dutch oven cooking, rope making, candle dipping, music and so much more. For more information, call 605-594-3824.

Be entertained by high school marching bands from Minnesota, Iowa and South Dakota as they compete for awards and trophies at Brandon's annual **Big Sioux Review** at BV's Athletic Complex.

Splitrock Square Homecoming Bash

The BV Athletic Boosters and BV Area Chamber of Commerce have joined forces for a fun-filled day of school and community spirit. The event is held in conjunction with Brandon Valley's Homecoming celebration and takes place in the Splitrock Square parking lot.

Join us for **Hometown Days** Saturday, September 18, 2021! This event, for the whole family, is a fun-filled day at McHardy Park with games for kids, food vendors and lots of entertainment organized by the Brandon Valley Optimist Club.

OCTOBER

Wear your favorite costume to the **Family Halloween Party** in the Brandon Elementary wood & tile gyms. There are numerous games with prizes and candy. A photo booth area, haunted house and light concessions are also available for your enjoyment in this safe, indoor event. All ages welcome. Sponsored by the Brandon Edge.

NOVEMBER

DECEMBER

Are you tired of bundling up your kids and taking them to meet Santa? The Brandon Edge can help — with **Santa Stops**. If you live in the Brandon city limits, Santa can make a visit to your house. Your kids can get their picture taken with Santa by your own tree and personally tell him what they would like for Christmas. Contact the Brandon Edge to sign up: info@brandonedge.com

A person with blonde hair, wearing a black t-shirt, a large grey and blue backpack, an orange helmet, and green gloves, is ziplining through a dense green forest. They are holding onto a rope with their right hand and waving with their left hand. The background is a lush, out-of-focus forest.

We live for
new experiences.
